The Ship Inn are honoured to welcome our fellow Ship Inn cricketer Alistair Saddler and his MCC team for their annual match against the Ship, and to headline this year's cricket festival.

Marylebone Cricket Club ("MCC") is the world's most famous, and most prestigious, cricket club. Founded in 1787, it owns, and is based at, Lord's Cricket ground in London. MCC revised the original Laws of Cricket in 1788 and continues to reissue them. MCC teams play many matches against first class and minor opposition and regularly tour overseas, as well as having an extensive fixture list every season throughout Britain, particularly with schools. The annual fixture against the Ship Inn is MCC's only match played on a beach.
